Sired by: NJW 73S W18 HOMEGROWN 8Y ET • P43214852

• Here is an opportunity to acquire embryos out of some of the cornerstone females that built the Glenview herd. Wynter 4183 was one of our very favorite Mead donors. Dale Stith and Mohican Farms can tell you how productive the Wynter 4183 cow and her daughters are. The Yoplait 2Y donor we purchased from River Valley Polled Herefords in Ontario and was one of the best About Time daughters in the breed. 2Y had the perfect combination of showing style and maternal traits. Miss Adair 29B is a Trust daughter out of the famed KSU Miss 6052F 308 cow that consistently worked so well for Matheny Herefords in KY. The sires of these matings need no introduction. Pick your favorites or sweep them all and build a herd!

2024 Buckeye Hall of Merit

Karen and Lynn Holley Awarded 2024 Buckeye Hereford Hall of Merit

Buckeye Hereford Hall of Merit Karen Holley's journey into the world of Hereford cattle stands as a testament to a family deeply rooted in agricultural traditions. Born into the embrace of Noel and Helen Hartfield, Karen inherited a profound appreciation for the art of raising quality Hereford cattle from her dedicated parents. Helen was recognized in 1974 with induction into the American Hereford Association Hall of Merit for exceptional contributions to youth activities. She then passed on her passion for working with the younger generation to her daughter, Karen.

Karen and Lynn Holley expanded their family passion by forming Holley Cattle Company. Their commitment and hard work materialized in the breeding of Simmental, Hereford and Club Calves. They enjoyed showcasing calves at their annual live sale for over 25 years. Lynn has also served as a respected judge at county, state, national, and international

levels. Karen could always be found taking her sons, Nolyn and Nicholas Holley, and their livestock to county, state, and national shows across the country. This not only strengthened family bonds but also exemplified Karen's dedication to working with youth.

While Karen's professional journey has seen remarkable success, her connection to Hereford cattle remains a vital part of her life. Karen actively engages with youth, particularly in showmanship. Her experience in evaluating showmanship showcases her wealth of knowledge and

deep commitment to cultivating the next generation of agricultural leaders.

Karen's impact extends to the broader agricultural community. Her selfless nature and willingness to go above and beyond are evident in her role as a 4-H advisor and, more recently, as the Ohio Junior Hereford Association Advisor. These positions exemplify her willingness to serve others and share her vast knowledge with future generations.

O B I T U A R I E S

Jerry Flatter

Gerald D. "Jerry" Flatter, age 71 of Fairborn passed away Friday October 6, 2023. He

was born November 10, 1951 in Xenia, the son of the late Harold and Ruth (Thompson) Flatter. Jerry was a lifelong grain farmer and cattleman, a member of the American Hereford Association, Ohio Cattlemen's Association, and past president for two terms of the

Buckeye Hereford Association. Jerry very much enjoyed exhibiting and showing Hereford cattle at all levels of competition. He and his family exhibited numerous champions on the state and national levels under Flatter Hereford Farms over many years. Jerry also liked having all kinds of trucks, CASE IH and New Holland Farm Equipment and riding Kawasaki motorcycles.

In addition to his parents, he was preceded in death by a sister, Barbara Singleton; and brother-in-law, Chester

Cooper. Jerry is survived by his loving wife, Sharon; son, Wyatt Flatter; two daughters, Julie (Marc) Coppess, Amber Warder; sister, Judith Cooper; niece, Brandee (Josh) Naff; four grandchildren; one great-grandchild; close friends, Gene and Vickie Hitchcock; as well as extended family and friends. Jerry will be greatly missed by all who knew and loved him. In lieu of flowers, memorial contributions may be made to the American Heart Association.

Bill Tom

Donald "Bill" William Tom, age 60, of Washington Court House, passed away

at 2:07 a.m. on Tuesday, December 19, 2023, on his beloved farm, surrounded by his wife and children. He was born on May 25, 1963, in Muskingum County to Donald R. Tom and Nancy Danison Tom. On April 17, 1993, he married the former Bridget Cooper.

Bill was a graduate of Philo High School and earned his bachelor's degree in animal science from The Ohio State University in 1987. He worked as the Executive Vice President at United Producers Incorporated. Bill was very active in the agriculture community, serving as the Beef Director for the

Ohio State Fair for the past 10 years. He also served as a board member for the Ohio Cattlemen's Association, was a former member of the Ohio Water and Soil Commission, was a member of the local Fayette County Cattlemen's Association, and held numerous other positions related to livestock and youth, too many to count. He served as a mentor for veterans and young people, both on his own and through various organizations. In 2022, he received a Distinguished Alumni award from the College of Food, Agricultural, and Environmental Sciences at The Ohio State University. It goes without saying for those who knew him that Bill was an avid Ohio State Buckeyes fan and could be found at the golf course with his wife and kids all spring and summer.

In addition to his parents and loving wife of thirty years, Bill is survived by his children: Sean Tom, Braiden Tom, Maeve Tom and Gavin Tom; and the light of his life, his granddaughter Arabella Wical. Also surviving are his brothers, Tracy (Teresa) Tom, Troy (Jackie) Tom, and Chris (Christy) Tom, along with his many nieces, nephews, and cousins. Bill never met a stranger, as is evident from his host of friends and colleagues also surviving.

In lieu of flowers, the family suggests donations in Bill's name be made to: The Ohio Cattlemen's Association referencing "Bill Tom Scholarship" in the memo. Because of Bill's passion for agriculture and encouraging young people in the ag community, this was also his wish.

DON'T MISS OHIO'S PREMIER BEEF INDUSTRY EVENT

2024 Gold and Platinum Breeders Recognized by the American Hereford Association

Seventy-four Hereford breeders across the United States achieved Gold Total Performance Records (TPR™) Breeder status for spring 2024. Established in 2005, the program pays tribute to breeders who go the extra mile to collect data at all levels of production and report the data in a timely manner. The Gold TPR Breeder recognition is presented to progressive Hereford breeders who have measured traits and promptly submitted performance data at all levels of production.

Congratulations to these Buckeye Hereford Breeders recently honored as Gold Breeders:

Rex Bradford, St. Marys, Ohio
Diamond M Herefords, Lake Milton, Ohio
Flat Stone Lick, Marianna, Pennsylvania
Greives Herefords, West Lafayette, Indiana
John Pitt, Bellville, Ohio
Rippling Rock Hereford Farm, Blanchester, Ohio
Shaver Farms, Lodi, Ohio

Twenty-three Hereford breeders achieved Platinum Total Performance Records (TPR™) Breeder status for spring 2024. These breeders have achieved the Gold status and went the extra mile to submit DNA on 85% of their calf crop to enhance the predictability and accuracy of Hereford EPDs.

Congratulations to Keets Herefords, Berlin Heights, Ohio for receiving this honor.

Take 'em home & turn 'em out!
